contributors to this anthology analyze the contemporary academic methods for critiquing art and suggest new ways that might further our understandings of art created by myriad individuals and groups the essays give readers further insight into a diverse range of artistic creators often overlooked in art world studies

in 2001 art critic and historian benjamin buchloh declared the death of art criticism during the october journal s roundtable the present conditions of art criticism the following decade witnessed a plethora of articles conferences and books devoted to the crisis of criticism all efforts thus far seem to have failed the crisis has not been abated art criticism is decaying and our historical moment is not only post modern but also post critical at the same time art writing has become such a broad spectrum of literature that neither author nor reader take it seriously the writing is often ironic filled with joyful and mediocre immediacy and not to mention a proud ahistoricism we are also told however that this is a great moment for culture writings on film music and art are to be found everywhere you turn or click the internet has allowed the democratization of cultural production anyone can upload a film to youtube or a track to myspace everyone has a voice everyone has a blog and everyone is a critic under quickly changing conditions then what are the present tasks of aspiring art critics this undertaking is multilayered but it must begin with an understanding the crisis of criticism in its contemporary and historical expressions in the first two sections the thesis surveys the symptoms of the illness how art criticism has been unable to grasp the swift changes in the art world and how the curator the dealer and the collector have replaced the critic as the main mediators between art and its public the third section outlines how contemporary art criticism largely anti greenbergian and anti modern suffers from the flight from judgment in the fourth section i explain how art criticism was displaced with the emergence of art practices in the 1960s that thought to incorporate criticism into the work itself all are important and often contradictory considerations when seeking to understand the demise of art criticism but all are not equally important for the task of resurrecting and redeeming criticism the final part will dedicate itself to the future of criticism in light of its history it will investigate and introduce possible paths for the reconstitution of art criticism suggesting possibilities exist in the overlooked history of earlier art criticism

at a time where there are repeated claims of the impending demise of art criticism the ends of art criticism seeks to dispel these myths by arguing that the lack of a single dominant voice in criticism is not as some believe a weakness but a strength allowing previously marginalised voices and new global and political perspectives to come to the fore an essential book for anyone interested in contemporary art criticism the ends of art criticism benefits from an author whose 30 years of experience as editor of art monthly magazine allows her to offer opinionated and thought provoking insight into the many questions and debates surrounding current critical writing on art including the relationship between artists and critics the academicisation of critical discourse and the relationship between art history and criticism

this book brings together two of the most important figures of twentieth century criticism walter benjamin and theodor adorno to consider a topic that was central to their thinking the place of and reason for art in society and culture thijs lijster takes us through points of agreement and disagreement between the two on such key topics as the relationship between art and historical experience between avant garde art and mass culture and between the intellectual and the public he also addresses the continuing relevance of benjamin and adorno to ongoing debates in contemporary aesthetics such as the end of art the historical meaning of art and the role of the critic

art criticism was once passionate polemical and judgmental now critics are more often interested in ambiguity neutrality and nuanced description and while art criticism is ubiquitous in newspapers magazines and exhibition brochures it is also virtually absent from academic writing here james elkins surveys the last fifty years of art criticism proposing some interesting explanations for these startling changes

the mainstream press often celebrates the tweeting facebooking and gramming of art commentary yet online forms of art criticism have a

much longer and more varied history than we think far preceding the art discussions happening on the likes of twitter and facebook before art discussions took place on social media there were networked art projects and art critical bulletin board systems email discussion lists and blogs art criticism online a history provides the first in depth history of art criticism following the internet the book considers the core stages of development and considers where critical practice is heading in the future charlotte frost s art criticism online provides a much needed account and indispensable survey of the ways in which western art criticism has been profoundly affected and changed by the online environment building on the history of networked and participatory criticism predating the internet frost traces three different phases of online art criticism unfolding in early discussion groups on listservs and within today s blogosphere and social media platforms the book expertly captures nuanced transformations in art criticism s content form and style analyzing how approaches have shifted in response to the evolution of the art world terrain art criticism online successfully manages to provide readers with a map of the dynamic expressions of today s critical culture christiane paul adjunct curator of digital art whitney museum director chief curator sheila c johnson design center parsons the new school so what happened to art criticism anyway this lively history is a vital resource for anyone interested in this question drawing on a half century of examples the book discusses the new experimental writing practices the internet has made possible and its destructive effects making a persuasive case that art criticism hasn t gone away it s just changed radically michael connor artistic director rhizome
