terrorism same sex marriage debt cancellation the aids pandemic these are just some of the critical contemporary issues addressed in this book issues facing christians today

helps thinking christians sift through and respond to a sweeping array of complex and pressing topics thoroughly revised and updated by roy mccloughry and fully endorsed by john stott this fourth edition continues a two decades plus legacy of bringing important current issues under the lens of biblically informed thinking combining a keen global awareness with a gift for penetrating analysis the authors examine such vital topics as pluralism and christian witness cohabitation environmentalism and ecological stewardship war and peace abortion and euthanasia and much more an entirely new chapter on bio engineering has been contributed by professor john wyatt of university college london including a study guide issues facing christians today is essential reading for christians who wish to engage our culture with insight passion and faith knowing that the gospel is as relevant and deeply needed today as at any time in history as the culture wars continue this book will remain a critical contribution helping to define christian social and ethical thinking in the years ahead

this completely revised edition of the hugely popular work of applied christianity is from arguably the most influential christian of the twentieth century this is a major publishing event with important new material

enl ed of involvement 1984

english evangelicals give the appearance of being a community at war with each other and with the world around them the issue of homosexuality is one of the key battlegrounds how has this issue become so significant to evangelicals why is it provoking such violent responses how is it changing evangelicals and what might this mean for the future this book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of rene girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism the conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future the scandal of evangelicals and homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather

to examine the way the debate has become scandalised and consider the cost it offers a window into contemporary english evangelicalism and provides an important contribution to international and ecumenical debate

rediscovering the radical transcendent and downright weird message of jesus how christians can succeed today is the third title in greg sheridan s bestselling trilogy about christianity in the modern world a grace filled god filled book of truth and wonder and the glorious mystical experience of faith stan grant inspiring and engrossing richard glover a trustworthy and encouraging blueprint for christians everywhere anthony fisher the first christians confronted a cultural environment vastly more hostile than today s they had no powerful backers very little money and numbered no more than a few hundred yet they revolutionised the ancient world and spread their movement far and wide there is a deep pervasive crisis of meaning and purpose across all western societies today greg sheridan encourages us to listen to the voices of the early christians and emulate their commitment integrity resilience and smarts he shows how early christians built communities met persecution with courage and grace dispensed universal mercy during plagues pioneered equality for women and redefined the nature and purpose of the human experience always with jesus christ at the centre of their lives he also charts the journeys of modern christians who live by those same values today leila and danny abdallah who met great suffering with great forgiveness young people making a radical commitment to faith country pastors and christians inspired to welcome and help the homeless he profiles cultural leaders who communicate christianity with great effect including marilynne robinson jordan peterson bishop robert barron pastor mark varughese former us vice president mike pence and dallas jenkins the creator of the chosen television series it s a powerful and inspiring message of what living jesus centric lives seeing god in every human being and finding access to the transcendent can mean for ordinary people it could once again transform our fractious polarised world a wonderful mix of historical observation social commentary and moving interviews michael bird a clarion call to return to the raw revolutionary faith of the early church russell evans

finally someone is asking the questions that need to be asked no bull may be politically

incorrect and may offend it addresses many topics that most preachers will not discuss for fear of losing part of their congregations or losing their jobs but if you want an honest straight talking assessment of the current state of christianity and christian churches then this is the book for you no bull reveals false teachings in the christian church it exposes several instances of churches doing things that the bible clearly says not to do several topics are addressed from marriage and family life to evolution versus creationism to the age of accountability and the rapture church leaders and all christians will benefit greatly from the frank opinions expressed in no bull new author kelly palmer takes a commonsense bible based approach to issues facing christianity today the conversational tone and personal touch make for a fun thought provoking read

knowing the signs of the times and how then to live as people of faith has never been more pressing for the church though many of the signs are disturbing we ignore them at our great peril combining the very best attributes of a biblical prophet and a modern day reporter james emery white offers a look at twenty five realities facing the church in the areas of belief culture marriage and family media and technology and mission and how they affect us as individuals and as a body of believers functioning as both a telescope and a microscope this hard hitting examination of the future of the church looks into the vastness of the world and into the minute recesses of our hearts white calls on thoughtful readers to sharpen their spiritual drive and determination in order to meet the challenges of our day and the future he calls us to look beyond the daily conflicts in order to see the much larger war in which we are engaged so that we might play our vital role in preserving and growing christ s church in the coming age
