untamed shrews traces the evolution of unruly women in chinese literature from the reviled shrew to the celebrated new woman notorious for her violence jealousy and promiscuity the character of the shrew personified the threat of unruly femininity to the confucian social order and served as a justification for punishing any woman exhibiting these qualities in this book shu yang connects these shrewish qualities to symbols of female empowerment in modern china rather than meeting her demise the shrew persisted and her negative qualities became

the basis for many forms of the new woman ranging from the early republican suffragettes and chinese noras to the communist and socialist radicals criticism of the shrew endured but her vicious sexualized and transgressive nature became a source of pride placing her among the ranks of liberated female models untamed shrews shows that whether male writers and the state hate fear or love them there will always be a place for the vitality of unruly women unlike in imperial times the shrew in modern china stayed untamed as an inspiration for the new woman

are you interested in advaita and want to become enlightened how should you go about it what will happen if you do how can you know what works and what doesn t in particular how should you go about finding a teacher what books should you read author dennis waite answers all these questions and more having communicated with many teachers and seekers over the past 25 years accumulated around 1500 books on advaita and written more than 10 books himself in these pages you will learn how to identify false teachers by spotting irrelevance pitfalls fallacies and mystical mumbo jumbo you will be warned against grandiose marketing claims spiritual catchphrases unclear language and poetry and why you should be wary of various transcriptions and translations for instance the styles of neo vedanta neo advaita direct path and satsang in general are compared with the original traditional teaching and the relative values of scriptures psychology social media and even ai are investigated an attempt has been made to research all living teachers and organizations that claim to be teaching non duality in the west and establish whether it is really advaita do they help you to seek the self or are they simply self seeking

oooohhh yeahhhh macho man the life of randy savage is the sensational definitive biography of the wrestlemania headlining spider man fighting slim jim snapping minor league baseball playing american original randy savage savage a wwe wrestling hall of famer was an a list

celebrity who sat atop the entertainment universe for much of the 1980s and 90s his outfits were as flamboyant as anything worn by Liberace Elton John or Prince his charisma surpassed Hulk Hogan's and is rivaled only by Stone Cold Steve Austin and The Rock his millions of fans are more loyal than followers of any sports team Macho Man starred in cartoons was featured on lunchboxes sold a slew of action figures and toys was in multiple video games guest starred on Baywatch Mad About You and Walker Texas Ranger and made multiple appearances on iconic 90s talk shows he supported myriad kids charities emceed Christmas events at hospitals for George Steinbrenner played minor league baseball with Pete Rose was the Harvard Lampoon's Real Man of the Year and held his family's wrestling legacy above all else with catchphrases and a voice still imitated by millions to this day and with his GIFs reaching hundreds of millions of views on social media the Macho Man is a transcendent figure who led an extraordinary life

efforts to create greener urban spaces have historically taken many forms often disorganized and undisciplined recently however the push towards greener cities has evolved into a more cohesive movement drawing from multidisciplinary case studies Urban Natures examines the possibilities of an ethical lively multi-species city with the understanding that humanity's relationship to nature is politically constructed covering a wide range of sectors cities and urban spaces as well as topics ranging from edible cities to issues of power and more than human methodologies this volume pushes our imagination of a green urban future

James C. Scott's *Weapons of the Weak: Everyday Forms of Peasant Resistance* is a seminal work in the study of social movements and resistance. The book explores how the poor, particularly peasants, use everyday forms of resistance to challenge the power of the state and the dominant class. Scott argues that these forms of resistance, such as foot-dragging, evasion, and sabotage, are not just acts of individual defiance but are part of a broader, organized struggle for social justice. The book is a must-read for anyone interested in social movements and resistance.
